

Appendix 3

PAUNTLEY VILLAGE HALL 100 CLUB

We have now sold 60 tickets. Numbers have been allocated and all members notified, either by email or by hand. The allocated numbers will remain the numbers for the club year of 1st September 2023 to 31st August 2024.

Our draws will take place four times a year at events in Pauntley Village Hall, the first being in December 2023, with winning numbers being selected by random number generator. The prize fund will be 50% of the money collected in subscriptions for that quarter. Prizes will be apportioned as follows: 1st prize of 25%, 2nd prize of 15% and 3rd prize of 10% of total quarterly income.

We currently have 60 members, giving a total income of 1,440 for the year, and £360.00 per quarter. Prizes for the first quarter, to be drawn in December (probably our Christmas Party on 9th December), will therefore be £90.00 for first prize, £54.00 for second prize and £36.00 for third prize. Winners, if not present at the event, will be notified by email where this has been provided, and the winners will be reported on our website and in our entries in the Windcross Parish Magazine.

The remaining 50% of money collected in subscriptions for the year, a total of £720.00, will go towards refurbishment of the village hall. This will be a really useful amount to put towards our planned work, and clubs such as this which show local support for the hall will very helpful for us when applying for grants towards the work.

Our rules, when originally drafted, allow for consideration in the first year of allowing people to join in the second quarter. We would need to consider how this would work as, if people don't pay the full year's amount, should not be entitled to the same amount of prize. This would be very difficult to calculate fairly though. I would suggest that we amend the rules to remove this provision.
