BRAND GREEN, REDMARLEY, GL19 3JD

Information sheet

Opening and Closing the village hall

The village hall keys are available from the key safe on the exterior wall of the hall, the code of which will be provided to you. After locking up, they must be returned there immediately or by agreement. Please telephone 01531 249276 or 01531 822315 in case of difficulty.

Please ensure that any outside caterers, contractors and bar staff are aware of the hire period and that they will not be able to enter before or leave after the hire period.

Guests are expected to vacate the premises within fifteen minutes of the end of a licensed period. After 11.00 p.m. on weekdays and 12 midnight on Fridays and Saturdays (unless the event is New Year's Eve), only those helping to clear up the village hall should be on the premises.

Safety

The village hall has a No Smoking Policy. Smoke alarms are fitted in the hall and kitchen.

In the event of a fire, the village hall should be evacuated in an orderly manner using the appropriate exits, and the Fire Brigade called by dialling 999. The exact location of the fire exit and fire extinguisher must be noted before the village hall is occupied and the manner of opening Fire Doors should be made known to your guests.

Please use the trolley provided for moving chairs and tables in order to avoid injury and to avoid damaging the wooden floor surface. Please stack chairs and tables in the storeroom if possible, or failing that at the rear of the hall.

A first aid box is located in the kitchen.

Blind cords and chains can pose a risk for babies, young children and vulnerable people, who could injure or even strangle themselves on the hanging looped cords. As recommended by the British Blind and Shutter Association, our blinds are fitted with a cord/chain tensioning device to minimise potential risks. As an additional safety precaution you are advised to ensure that young children are not left unsupervised in the hall. Please also do not allow them to stand on the benches which run round the walls, as they may be able to reach the cords if they do so.

Location and Use of Fire Equipment for Hirers

Two water-based fire extinguishers are located in the main hall, and a CO2 extinguisher and fire blanket are located in the kitchen.

Garden Furniture

Garden furniture is stored in the shed.

Electricity and Heating

Electricity, with the exception of the lights throughout the hall, and the hand dryers in the toilets, is paid via the coin meter in the kitchen, which takes £1 coins. Line the slot up first before inserting coins, and make sure that the coins drop by turning the knob fully. The heating controls for the wall heaters are located above the light switches, and individual controls for the heaters by the side of each heater.

Please do not switch off the external front security light (the switch is located in the lobby at some height to prevent it being switched off in error). When it is dark, this light will remain for a period following departure from the hall, for safety purposes, before it turns off automatically.

Water

In an emergency, the water supply is turned off by the tap located on the right-hand wall of the gents' toilet cubicle.

Electricity

Should the trip switch for the electricity be activated, the switches are located in the box on the far wall in the kitchen.

Hall Telephone

The village hall has no telephone. You are advised to have a fully charged mobile telephone for use in case of emergency. Please check there is coverage for your network.

Car Parking

The lane leading to the village hall is a public road and this must not be obstructed. The village hall car park will accommodate a good number of cars if sensibly parked.

Consideration for Others

Please ask your guests to leave quietly at the close of your event. Car doors banging and loud talk in the car park are disturbing to local residents.

Please do not use drawing pins or cellotape on the walls or other surfaces. Use blu-tack if you need to put up notices or decorations and remove it carefully. Do not fix decorations near light fittings or heaters.

Please leave the village hall clean and tidy for the next user, and leave waste in the bin outside or take it home. In particular we ask you to ensure table tops are wiped clean before being stacked in the cupboard and that the kitchen and fridge are left clean and tidy.

Cleaning equipment is kept beneath the sink in the kitchen and a vacuum cleaner, brushes and floor mop are kept in the store room at the rear of the hall.

Faults/ Damage/ Comments

Please report any faults or damage to the booking secretary as soon as possible so that they can be rectified quickly. The Management Committee welcomes comments or observations that you may have about your hire of the village hall.
